

Unwanted Trades People

Dear All

Please be alert to trades people attending your address touting for garden and/or roofing work. There has been a report of this type of behaviour where a resident, although agreed to the work and price but after the work was completed the price seemed to be “over the top”.

The company appeared to be legitimate but if you do enter an agreement, request all estimates in writing and if not happy, please use your customer right to cancel within 7 days.

If the trades person keeps coming back or hassling you, please report to North Yorkshire Police on 101 with as much information relating to the person and/or company.
