- 1 The proposed works would significantly harm the health of the tree and visual amenity of the locality. This would conflict with guidance National Planning Policy Framework.

4e) APPLICATION NO: 6.64.108.H.FUL 22/00978/FUL

PROPOSAL: Demolition of boundary wall and formation of vehicular access and hardstanding to provide off-street parking for Motorhome (revised scheme).

LOCATION: Bridge House, 7 Fishergate, Boroughbridge, YO51 9AL

REFUSED. Reason(s) for refusal:

1. The form of the proposed boundary treatment and access would be at odds with the original stone wall and would harm the appearance and character of the property within the Conservation area. The siting of the proposed access to a raised parking area would serve to create an awkward access across a public footway onto a public highway with limited visibility. Therefore, the proposal would be detrimental to the character and appearance of the host dwelling and neither preserves nor enhances the conservation area

The proposal would conflict with guidance in the NPPF, Policies HP2 and HP3 of the Local Plan and guidance in the House Extensions and Garages Design Guide.

2. The proposed vehicular access crossing a public footway which cannot physically be accessed from the public highway at all times cannot be supported on highways grounds. The required loss of public parking space within the town centre location is contrary to policy TI3 of the Local Plan.

Noted.
