

6. Resident's relatives memorial

A resident had contacted the clerk re the exact grave of her relatives in Aldborough cemetery. She had been putting flowers on the grave, stating that Mr Savage had put a marker stone there for her, but on checking the plot and registers, it appeared the grave of her relatives was the next one on. The clerk had asked Mr Wilson to rod the grave, but we are still unsure as to which the actual grave is. The clerk to contact other members of the family to meet on site with plans and registers etc.

7. Any Other Business

Boroughbridge Cemetery – the path was covered with weeds. It was agreed to ask Garden Grooming to spray with weedkiller. Also, the rubbish bins were proving very difficult to use. It was suggested that if the front wood guard was removed, and replaced with a lat, this would allow easier access. Cllr Young offered to sort this out.

It was also mentioned that the lych gate to Aldborough Cemetery would require attention to the stonework in the future. This to be discussed at the next meeting.

There being no further business, the meeting closed at 6.45 pm
