

6. Scale of Fees

The new scale of fees was not yet available from Harrogate Borough Council for comparison. It was agreed to wait until this were to hand. Cllr Young questioned as to why when someone had already purchased a grave, when they wanted to erect a memorial, an additional fee was payable. The clerk said that this had always been the case but would check with Harrogate as to why this was necessary.

There being no further business, the meeting closed at 7.00 pm
