The Meeting opened at 6.34pm

Purpose of the Meeting: To begin discussion on the future re-development of the Bridge Foot Club Site on Mill Lane, Boroughbridge

It was **RESOLVED** that a meeting should be arranged as soon as possible with a Planning Officer from Harrogate Borough Council and a representative of the Environment Agency to consider the feasibility of replacing the current structure on Mill Lane with a permanent building of one or two storeys which would serve multiple purposes within the local Community. This suggestion was proposed by Councillor Cooper and seconded by Councillor Craggs. Councillors Vose, Cooper, Craggs, Wilkinson, Windass and Young and Mr Derek Allen agreed to be present at this Meeting. The outcome of the meeting will then dictate the format of the plans that can be drawn up and possible sources of funding can then be investigated.

The Meeting closed at 6.54pm
