

Dear Boroughbridge and surrounding area,

Your local Safer Neighbourhood Team will be at Boroughbridge fire station on 24/10/25 at 10:00 to 16:00.

Please take this opportunity to raise any concerns you may have and to find out what we are doing to tackle the issues that matter to you.

I will be going over some target hardening and advice for properties and advice around Halloween. So please come for cup of tea.

Come round to have a look at your local fire station, a police car and kids can try on some police uniform.

Everyone is welcome and it would be great to see you there. For more information please contact me - Jack GUDGER on jack.gudger@northyorkshire.police.uk
