

Boroughbridge mobile household waste recycling centre

North Yorkshire Council provides a mobile household waste recycling service (HWRC) to residents in areas of the county who are not adequately covered by a permanent HWRC.

The mobile HWRC located in the car park off Back Lane, Boroughbridge, is operated on a Saturday from 9:00am to 1:00pm. To find the dates of the service, visit www.northyorks.gov.uk/hwrc.

Waste left at the site at any other time would be classed as fly tipping, which is against the law and can attract an unlimited fine and up to 5 years imprisonment.

Accessing the site

This site is used by other organisations and members of the public. Please be courteous to other users when entering and leaving the car park.

You should;

- **Follow any signs and notices**
- **Follow instructions from HWRC staff**
- **Be aware of other users in the car park**

Accepted waste

Waste types accepted at the site are listed in the table overleaf.

Please help to reduce the amount of waste sent for disposal by separating it prior to your visit and placing the items for reuse and recycling in the appropriate container. HWRC staff are able to offer advice on items that are collected for reuse and recycling.

Waste accepted at the site
