

## **A66 Northern Trans-Pennine Project Advanced Works - June 2026 - Lane & road closures**

Thank you for your continued interest in the A66 Northern Trans-Pennine (NTP) Project. As we move towards main construction, we need to carry out some essential works as detailed below.

### **Advanced Works – June 2026**

**Installation of CCTV cameras between M6 junction 40 and Temple Sowerby.**  
This will allow us to monitor the route and provide free 24-hour vehicle recovery.

This will require five overnight full closures of the A66 on both the eastbound and westbound carriageways between Kemplay Bank roundabout and Temple Sowerby. During the closures a strategic diversion will be in place along the A69. Diversion for residents living between Kemplay Roundabout and Temple Sowerby will also be in place but for local access only. Dates are shown below

This will also require 1 overnight full closure of the eastbound carriageway of the A66 between M6 Junction 40 and Kemplay Roundabout. Date shown below.

**Hardening of the central reservation between M6 junction 40 and Kemplay Bank roundabout.**

This will allow us to run two lanes in both directions through the main construction period.

This will mean there will be just one lane running on the A66 on both the eastbound and westbound carriageways between M6 Junction 40 and Kemplay roundabout, including both roundabouts and approaches. This will be in place over three consecutive weekends in June. Dates are shown below.

Emergency access will be retained throughout the full closures but for all other traffic there will a fully signed diversion in place, and details are available here.

[Google Maps - A66 NTP - May 2026 Closures - Diversion Routes](#)

Due to the existing HGV restrictions through Kirkby Stephen, the diversion for HGVs will involve using the M6, A69, and A1. From the M6 Junction 40 A1 Scotch Corner, this is a 115-mile diversion. Signage will be in place before these points to ensure we inform HGV drivers in a timely manner.

We will continue to update our [Project webpage](#) and will update our social media channels of [Facebook](#) and [X](#)

If you have any questions regarding these works, please get in touch with us at [A66NTP@nationalhighways.co.uk](mailto:A66NTP@nationalhighways.co.uk)

Thank you for your patience

A66 NTP Team

## National Highways

Dates 2026	Times	Traffic Management	Location	Reason
Friday 12 June to Monday 15 June	Friday 7pm to Monday 6am	A66 one lane running in each direction including both roundabouts and approaches.	M6 J40 and Kemplay Bank roundabout	Central Reservation hardening
Monday 15 June to Friday 19 June  (5 nights)	12midnight - 6am	A66 full closures Both carriageways	Kemplay Bank Roundabout to Temple Sowerby	Installation of CCTV
Friday 19 June to Monday 22 June	Friday 7pm to Monday 6am	A66 one lane running in each direction including both roundabouts and approaches.	M6 J40 and Kemplay Bank roundabout	Central Reservation hardening
Sunday 21 June	12midnight - 6am	A66 full closure Eastbound only	M6 junction 40 to Kemplay Bank	Installation of CCTV
Friday 26 June to Monday 29 June	Friday 7pm to Monday 6am	A66 one lane running in each direction including both roundabouts and approaches.	M6 J40 and Kemplay Bank roundabout	Central Reservation hardening
