

EXCITING NEW ADDITION PROPOSED FOR OUR RECREATION GROUND ON WETHERBY ROAD

Boroughbridge Town Council have been working hard to secure funding from developers in our community to provide funding for a Multi Use Games Area (MUGA) in our recreation ground .

The area will have a hard durable surface marked out for football and basketball. Something we feel our young people deserve. Some other equipment may be relocated and it is hoped that we can also enhance the junior play area.

We sincerely hope that you support this project as we may not get the opportunity again.

This information will be posted on the councils face book page where you will find updates and you can leave your supportive comments.
